

A document you can change.

읽고, 고치고, 다시 펼치다.

01 EDIT THE TEXT

Click a text block in Edit text mode.
Replace these words and save a new PDF.

02 REARRANGE THE PAGES

Drag a thumbnail in the sidebar.
Your page order is part of the saved document.

03 MAKE SCANS SEARCHABLE

The last page is an image-only scan.
Run English OCR to add a searchable text layer.

SECOND PAGE

Keep this page when testing undo and redo.

한글 본문을 수정하고 저장한 뒤 다시 열어 보세요.

LANDSCAPE PAGE

Mixed page sizes should keep their proportions.

ROTATE THIS PAGE

SCANNED ARCHIVE

This page contains an image only.

Optical character recognition adds searchable text.

The original image should remain unchanged.

Bichaek PDF offline OCR test.
